

Your Honor, thank-you  
for your letter.

I don't know about how relevant the case and its NO. that you sent as an example and a reference, #1) I tend to believe you. #2) It appears you are trying your darndest to help me. #3) I voted for Ronald Reagan & Donald Trump. I love them both. Reagan is alive and well in heaven I cared also, a great deal for Gerald Ford #4). I care about Robert Williams, (it hurt me to see how hurt he was in court) #5) The D.A. seemed somewhat taken aback and hurt ~~for~~ too, for Robert Williams #6) You, your Honor, seemed somewhat angry - however, I did detect a happy gleam in your "eye" for the gathering of some friends. #7) I am also a friend. #8) I hope you will ~~then~~ know that I am grateful.

Truly Thank-You!!  
Piette
